

Thematic Factsheet #2

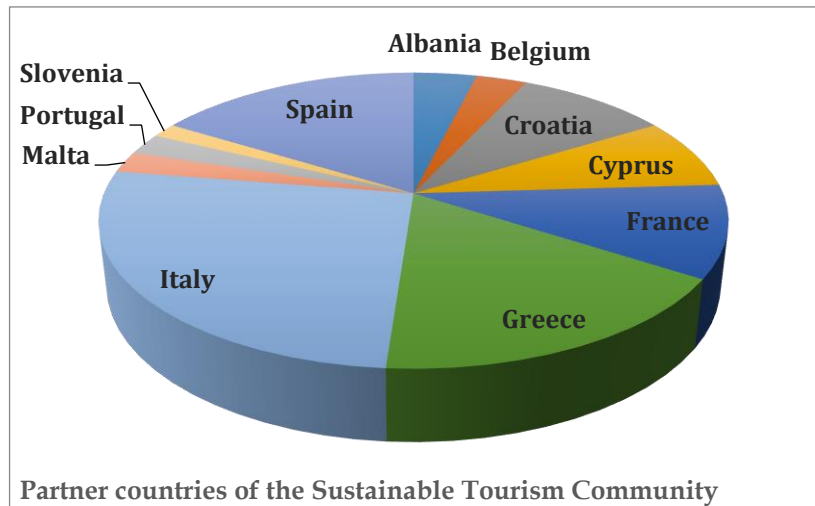

MED Sustainable Tourism Community's spatial context

By BleuTourMed_C3

THE COMMUNITY (in figures)

With partners from all the Mediterranean countries of the INTERREG MED Programme, the Sustainable Tourism Community of 14 Modular Projects covers almost the entire coastal regions of the Mediterranean basin.

A large number of Associated partners, representing 16 countries, participate in the Community's activities with the aim to exchange practices and knowledge and distribute the Community's achievements to their own networks.

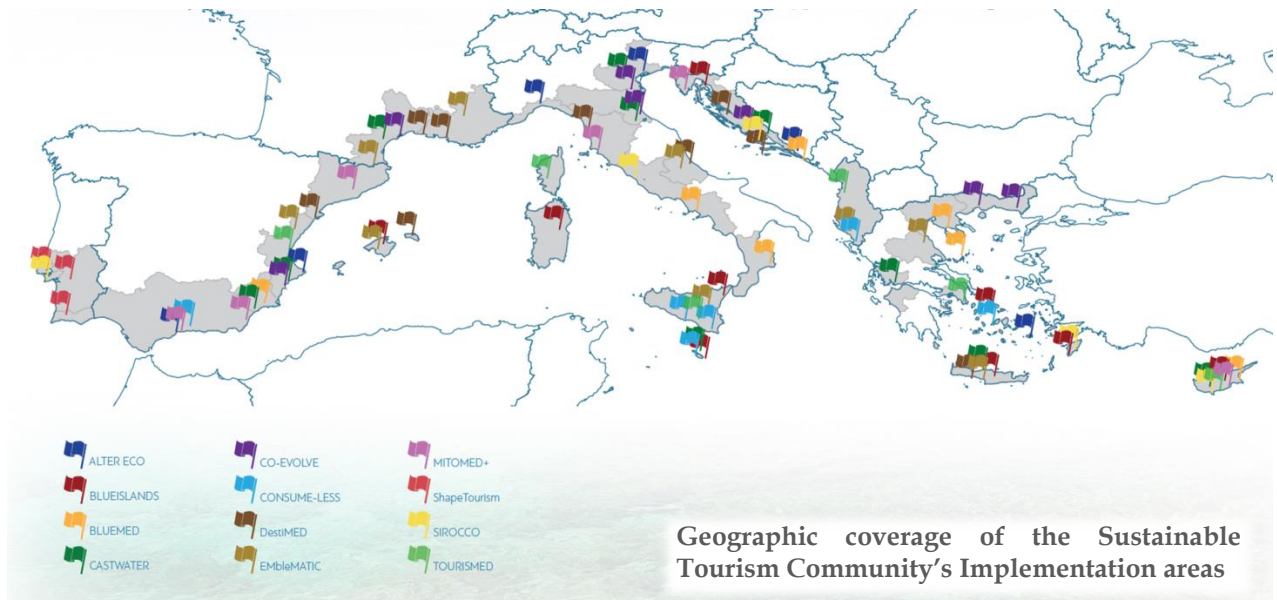

Community's Associated partners per Country			
Albania	1	Malta	1
Belgium	1	Montenegro	1
Bulgaria	1	Portugal	4
Croatia	2	Slovenia	1
Cyprus	3	Spain	16
France	5	Sweden	1
Greece	12	United Kingdom	1
Italy	16	Other Country	2
Sub-total	41		27
Total			68

THE IMPLEMENTATION AREAS (in figures)

Implementation areas per Country	
Albania	3
Croatia	8
Cyprus	5
France	6
Greece	15
Italy	18
Malta	3
Portugal	3
Spain	16
Total	77

The Community's studying and testing activities include the implementation of their methods and tools in a series of areas covering almost the entire Mediterranean coastal regions. Most of the projects have already determined such pilot areas while other have yet to decide the places where their actions are taking place. The common aim of the Community is to go beyond recommendations to actual measures which local/regional/national stakeholders could incorporate in their decision making procedures.

Project co-financed by the European Regional Development Fund
